Basingstoke Town Community FC is a 100% fan owned, not-for-profit community football club. At the club we have over 250 players including a Men's First Team, a Women's First Team and a Full-Time Education and Football Academy College for 16-19 year olds and a Youth section for boys and girls from Under 9s to Under 18s. We also run football camps for children of all abilities during half-term and weekly sessions to increase participation in girls football as well as weekly children's and adult's pan-disability football sessions. We play our First Team and Academy matches at Winklebury Football Complex with growing crowds and presence across the town through our football and community initiatives.

We have a number of exciting sponsorship opportunities available to suit all budgets and we're always looking to expand our commercial partner network - we'd love for you to reach out.

As a club run by volunteers, 100% of our sponsorship revenue contributes towards the continued growth of Basingstoke Town Community FC.
